ALL-NATURAL EQUINE HEALTH MAINTANANCE SUPPLEMENT

---

## SEFACON HELPED THOUSANDS OF EPM HORSES SINCE 2006

### WHAT IS SEFACON?

- SEFACON** for EPM Horses is a proprietary blend of all-natural amino acids, herbs, micro-nutrients, minerals, and vitamins.

### HOW SEFACON WORKS?

- SEFACON** is likely to enhance EPM horse internal immune system to fight infection of EPM better. Once, the internal immune response gains control and becomes as a natural killer. **SEFACON** with all its natural herbs and amino acids and other nutrients will enable to re-gain muscle tone and strength as the infection goes down.

### SEFACON HAS PROVEN TRACK RECORD.

- SEFACON** has been proven as an effective alternative to combat EPM horses and saved thousands of horses since 2006.

### HOW TO USE SEFACON?

- SEFACON** need to be given orally twice a day or mixed in a small amount of feed for eight days and observe a clear sign of improvement in EPM Horses from days 4-5.

### HOW TO CHOOSE RIGHT DOSING OF SEFACON?

- SEFACON**-Regular Strength for EPM Horses of 1000 LB and Below.
- SEFACON**-Extra Strength for EPM Horses of 1000 LB above.

### HOW IS SEFACON SHIPPED?

- SEFACON** is always shipped overnight by FEDEX or UPS with Blue ice.
